

For the **Commercial Range** of **Colours**

Formica Commercial Range

With designs and solid colours developed to complement one another tonally, the Formica Commercial range will help you create interiors with style and harmony.

Pearl Finish has been chosen as the standard option as this practical finish conceals minor scratching and finger marking better than flat finishes, so the end product looks better for longer.

Formica Decorated Panel Commercial Colour Service Offer

Decors	39
Delivery lead time	Next day delivery if the product comes from the state warehouse. Dispatched within 7 working days if the product comes from factory stock. Your sales representative will advise about local stocking policy and indicative transportation time from the factory to your location.
Standard Particleboard Sheet size	Either 2400x1800mm sheet size or 3600x1800mm sheet size – depending on state inventory policy (which reflects local demand). Plant stock is held in 3600x1800 in 18mm and 25mm thicknesses. Indicated Standard Particleboard options in 2400x1800 (18mm and 25mm) and 3600x1800 (33mm) are Made to Order. Your sales representative will advise about local stocking policy and indicative transportation time from the factory to your location.
Standard Particleboard thicknesses	18mm & 25mm are stocked for the 39 commercial decors. 3600 x 1800 (33mm) is available as MTO. Note that we hold normal commercial quantities of inventory. Large orders of individual line items may be considered to be MTO in the normal lead time.
Melamine Edging	22mm Preglued Edging is available for all decors in 50lm rolls. 22mm Unglued edging is available for all decors in 100lm rolls.
ABS Edgings	21mm, 22mm, 29mm and 38mm matching edgings are available in 100lm rolls for all 40 decors.
Make to Order (M.T.O.)	If substrates or thicknesses other than the Standard Particleboard (above) are required, customer service or your sales representative will identify options that are available and lead time. For complete details on the Formica Decorated Panel offer please refer to the Formica Availability Chart.

formica.com.au

Formica is marketed and distributed by The Laminex Group. A division of *LAMINEX GROUP PTY LIMITED* ABN 98 004 093 092. The colours depicted in this brochure are as close to the Formica colour collection as modern printing processes allow. Colour/finish combinations are subject to availability. Colours/finishes shown are available at the time of publication, but may be withdrawn. Dark colours and gloss finishes require more care and maintenance than light-coloured and lower-gloss surfaces. The Laminex Group recommends the use of laminate cleaning products (or mild household cleaning products) for dark colours, please visit our website, as above, for specific care and cleaning information. Please note that in certain lights or from certain angles wipe down marks may be visible. Formica laminates are no different than any other material in that darker colours will always show scratches and superficial wear and tear more readily than lighter colours. Formica laminates should be protected from strong direct sunlight as continuous exposure may cause discolouration or fading to the surface over time. Please obtain a copy of the terms and conditions of the applicable Formica 7 Year Limited Warranty from The Laminex Group or visit our website. This Warranty is in addition to any rights that may exist under the Trade Practices Act.
